

THE VVMI PHALANX

VVMI partners with and equips ethnic Christians who proclaim the Gospel through video and other media in their common language

UPCOMING VIÑA TRIP IS FIRST STAGE IN STUDIO REHAB YOUR PARTNERSHIP WITH PRAYER AND FINANCIAL SUPPORT IS ESSENTIAL TO "DEDITOS"

As mentioned in the last Phalanx on June 1, the investigative and planning stage of the VVMI-Viña partnership project that aims to renovate Viña's studio was financially supported earlier this month. The funding enabled VVMI Short-term Trip Team Leader and contractor/builder, **Rob Krotzer**, and VVMI Executive Director, **Colin Edwards**, to schedule a visit to the studio the last week of June. There they will meet with Viña staff, take measurements, and investigate site conditions. Specifically:

- Thank the Lord that the project's Phase I financial support fell within Viña's first choice of a "time window" for hosting the investigative part of the project.
- Thank the Lord that airfare was acquired within budget and the best available prices were for traveling from airports local to Rob and Colin.
- Pray for ease in making flight connections and safety in both air and ground travels during the trip, as well as for good weather since this is storm season.
- Pray for good communication and understanding during the meetings with Viña staff. Ask that good working relationships be founded for future phases.
- Pray especially for Rob as he develops work and phasing plans and budgets for the future construction stage(s) of the project.
- Begin praying now for wisdom and provision regarding the finances, materials, tools, local workers, and Mission Volunteers that will be needed for the actual construction work that Viña would love to have completed in 2016.

This project (Viña-022) is one of the most strategic opportunities VVMI and Viña has since it will help expedite *Deditos* productions -- children's finger puppet videos and lessons designed to share the Christian world view with ethnic minority language groups around the world as those groups are empowered to dub the productions.

OTHER THINGS TO BE PRAYING ABOUT...

- OC Africa Field Director, **Karl Teichert**, and his wife, **Jenny**, are currently on furlough in the States through September. Pray they will be refreshed and have good opportunities to reconnect with family and friends and share what God is doing in Southern Africa. Also pray for the Teichert's in regards to their secondary ministry vehicle in South Africa that was recently stolen and needs to be replaced. Please pray that God will provide the needed resources for another car.

PRAY FOR: (top left) - Colin Edwards; (top right) - Rob Krotzer; (middle) - Rick and Carol McArthur, missionaries assisting Viña; (bottom) - Viña Director, José Abel de la Cruz and his wife, Blanqui

- Pray for VVM-CMI Director **Darwin Bayani** and his wife, **Nenette**, as they will soon be traveling to Bicol to begin training production teams for ministry in the central Philippines. They hope to further or begin dubbing work there on *Deditos* episodes in several languages.
- Thank the Lord that VMN's **Dodong Sabuan** was able to begin training a team for dubbing *Deditos* into the Western Manobo language. Please be praying since some revenge killings recently in the region have affected some Manobo Christians and caused distraction to the Manobo Church.
