VVMi & VVM-CMI PARTNERSHIP PROJECT
CENTRAL PALAWAN CMI PROJECTION SYSTEM
PROJECT NO. 2015-VVM-088**

NEW CMI TEAM IS HELPING FILL THE GAP ON PALAWAN

Vernacular Video Ministry – Church Mobilization Initiative (VVM-CMI), headquartered in Baguio City, Luzon, Philippines, has been VVMi's ministry partner from the beginning. VVM-CMI has been "mobilizing" local church groups – empowering them with video and Scripture tools – in the mountain provinces of northern Luzon since mid-2008. Starting in 2010, the VVM-CMI expanded to the region of Palawan and other islands southwest of Luzon. Now, in 2016, eighteen (18) active mobilized partner groups with hundreds of indigenous Christians are working across language and denominational lines for the purpose of sharing the Gospel through heart language videos and Scripture. New Bible study groups and church plantings are a normal result as local churches utilize media tools to assist their mission efforts.

The CMI North of Puerto Princesa (or Central Palawan) Team was mobilized in 2014 through the initiative of the North Palawan (Roxas) CMI.

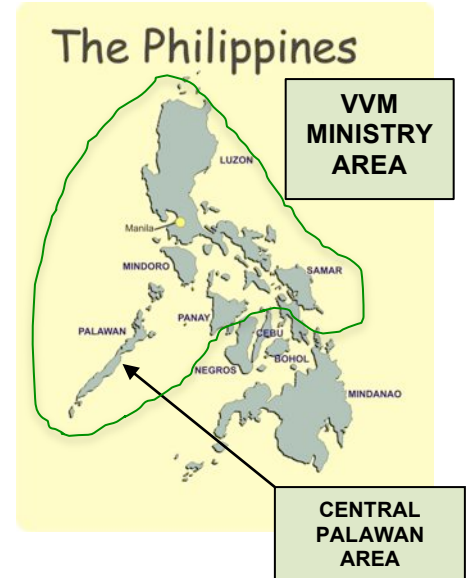

The ever-expanding work of spreading God's love and redemption on Palawan Island is evident through the interest of new ministerial groups desiring to partner with and join VVM's Church Mobilization Initiative. This new CMI Team will be covering the central part of Palawan, and also reaching out to the Batak, Tagbanwa and Palawano ethnic groups. Most of these ethnic groups choose to live in the remote villages of the interior of Central Palawan or by the seashore.

The ministerial group members of this new Team have been praying for a more innovative way of doing mission work. Upon hearing the testimonies from the CMI Palawan North (Roxas) Team, they learned how the film showings were done in the Palawan North area, and how effective and relevant the showings are in reaching out to the people.

In a place where true understanding and belief in the Lord Jesus Christ's redemptive work is less understood and heard, gospel film showings with this projection system will play a very important role in reaching the people of central Palawan with the love of Jesus.
