VVMI & VVM-CMI PARTNERSHIP PROJECT
PRODUCTION MEDIA SUPPLIES

PROJECT NO. 2010-VVM-057

MAKING PRODUCTIONS AND DUPLICATING THEM FOR USE BY MOBILIZED CHURCHES REQUIRES MEDIA SUPPLIES

Vernacular Video Ministry – Church Mobilization Initiative (VVM-CMI), headquartered in Baguio City, Luzon, Philippines, has been VVMI's ministry partner from the beginning. VVM-CMI has been "mobilizing" local church groups – empowering them with video and Scripture tools – in the mountain provinces of northern Luzon since mid-2008. Starting in 2010, the VVM-CMI expanded to the region of Palawan and other islands southwest of Luzon. Now, in 2016, eighteen (18) active mobilized partner groups with hundreds of indigenous Christians are working across language and denominational lines for the purpose of sharing the Gospel through heart language videos and Scripture. New Bible study groups and church plantings are a normal result as local churches utilize media tools to assist their mission efforts.

This project covers a simple but critical element of vernacular video ministry that is needed regularly for most aspects of the work. Media supplies impact not only the field and office sides of the production process, but also, and more importantly, the final outcome when VVM-CMI teams show an ethnic language Christian film and share the Gospel.

Media items covered by this project:

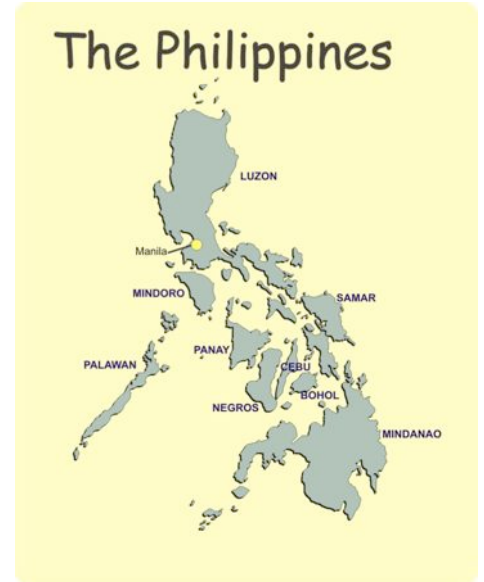

- Water and scratch resistant DVD-R inkjet printable disks (\$500/YR) for VVM-CMI evangelists/church planters
- DVD cases (\$150/YR)
- High capacity DVD media for archiving video footage and movies (\$150/YR)
