

VERNACULAR VIDEO MISSION INTERNATIONAL VVM I CAPACITY-BUILDING PROJECT **STAFF TRAVEL FUND**

PROJECT NO. 2008-VVMI-104

GOING: ESSENTIAL IN FULFILLING THE GREAT COMMISSION

Travel is a fact of life for an international mission if relationships are to be established and partnerships built and nurtured. The planes, cars, buses, jeepneys, tricycles, and other modes of transportation shown on this sheet are just a few samples of some of the ways VVMI staff get to where they need to be. Besides common carrier travel costs, this fund helps provide VVMI staff with fuel, lodging, and meals, as necessary.

VVMI also desires direct interaction of its partner ministries with others, wherein our partners are effectively functioning as "VVMI staff" to carry out activities vital to the goals of VVMI such as the training and equipping of partner ministries. It takes travel funds to help make these connections happen.

Through mid-2017, VVMI anticipates that it's Executive Director and other staff need to be prepared to make several official trips domestically and overseas. The following are the minimum anticipated needs:

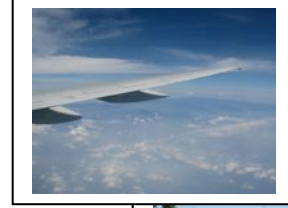

- A. *Ongoing Domestic Travel Needs*: Executive Director and staff travel funds for visiting supporters, attending Board of Directors meetings, coordinating staff, for partnership development, official VVMI business, etc.: **Estimated monthly need: \$300.**
- B. *Philippines*: **Estimated annual need: \$3000.**
- C. *South America*: **Estimated annual need: \$3000.**
- D. *Guatemala*: **Estimated annual need: \$2000.**
- E. *South Africa*: **Estimated annual need: \$5000.**
- F. *Ministry Partner Travels to assist VVMI with training of other partners or for their travels to the USA*: **Estimated annual need: \$ 4000.**

NOTE: Funds contributed in excess of the above needs will remain in the "Staff Travel Fund" to help cover future needs.
